

Introducing Yoomi!

Yoomi is the mascot of the Lake County Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Board. Our cuddly, colorful pal helps draw attention to the excellent network of mental health and recovery agencies in Lake County that rely on ADAMHS support. Yoomi also helps champion our core philosophy: *"You. Me. Us. We're in this together. There is no them."* If you're interested in having Yoomi make an appearance at a community, school, church, or civic event, contact Greg Markell at the ADAMHS Board (440-350-2193, or greg@lakeadamhs.org).

YOU.ME.US. We're in this together. There is no them.

Established by Ohio Statute, the ADAMHS Board is responsible for planning, funding and monitoring Lake County's mental health and recovery services. Learn more at www.HelpThatWorks.us.
